STANDARD LASER LABELS

For Use in Laser Printer, Ink Jet Printers And Photo Copiers

50# Bright white face sheet with a 3.2 mil (+/- 10%) layflat liner. Adhesive is a Permanent
 No flow for Universal high performance in most Laser Printers. Sheets are Edge trimmed for superior feed performance. Edge trimming removes approximately 1/32" of Face stock and adhesive from perimeter of the sheet. This prevent accumulation of adhesive in the laser printer and feed tray, minimizing feed jams and reduces your customers maintenance frequency and expense.

SHEETS ARE PACKAGED IN SHRINK WRAPPED PACKS OF 250 SHEETS, 1M SHEETS PER BOX

When Ordering: 1M = One Thousand Sheets See Stock Terms On Worksheet Tab: EDP & EDP Imprint Pricing
